Stewardship Foundation

The main objective of stewardship is for members to understand and commit to the biblical concepts of stewardship. This requires education and is part of a leader's responsibility. Below is the fundamental belief Adventists start with in understanding stewardship. This is what we are to teach.

Fundamental Belief #21

"We are God's stewards, entrusted by Him with time and opportunities, abilities and possessions, and the blessings of the earth and its resources. We are responsible to Him for their proper use. We acknowledge God's ownership by faithful service to Him and our fellowmen, and by returning tithes and giving offerings for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in love and the victory over selfishness and covetousness. The steward rejoices in the blessings that come to others as a result of his faithfulness."

(Gen. 1:26-28; 2:15; 1 Chron. 29:14; Hag. 1:3-11; Mal. 3:8-12; 1 Cor. 9:9-14; Matt. 23:23; 2 Cor. 8:1-15; Rom. 15:26,27.)

Life Smoothies

Stewardship is like a fruit smoothie you create in your kitchen. You want to choose ingredients that are both delicious and healthy.

One way to discover and share the principles of stewardship is through the mini-dramas found in this book. Author Jeff Metherell has put stewardship concepts into practical illustrations that will equip people to make decisions about stewardship and apply those decisions to their lives. The visual impact of these vignettes—often humorous and interactive—will help us remember these important concepts.

My Personal Giving Plan

Although the church is made up of individuals, we find our strength in our united efforts. Each member plays a vital role in the body of Christ so that all may contribute to the picture of Jesus that the world sees. We recognize that our time, or talents, and our possessions are not our own, but a trust given to us by a loving Creator. That is why the Seventh-day Adventist Church has developed a suggested program of systematic giving: *My Personal Giving Plan*.

In\$ufficient DVD

The *In\$ufficient* project consists of 15 unique presentations on the topic of stewardship, presented by five female spiritual leaders in North America. Christians often live with an “insufficient” mindset; that is, they don’t live as if God and His care of us are sufficient. However, the goal of this project is to help people think more intentionally about what it means to live as a faithful steward of God’s resources—not only of His financial blessings to us, but in regard to our time and talents as well. God gives us more than enough!

This DVD set includes presentations from:

- Brenda Billings, NAD Ministerial Association associate director
- Adly Campos, Family Well-being International speaker and evangelist
- Jennifer Deans, Living Faith Church pastor
- Sonia Perez, Beltsville Church pastor
