# God Made a Good World

**Jesus made our world to be a place where all of His creation would enjoy time with Him and be close to Him.**

**He created Adam and Eve as the first family on earth to spend time with them and to build community.**

**God loved the first family so much that He walked and talked with them every chance He got.**

# The Good World is Changed

Thousands of years ago sin came into the world  
when Adam and Eve were tricked into  
going against what God had asked.  
This changed the world.

It caused separation between God  
and His people and sin came into the world.  
But God, knowing everything,  
had a plan already prepared.

People get sick, are sad, and grow old and die,  
but because of His plan, we will be with Him forever  
in a wonderful world made new again.

"Sin entered the world...  
and death through sin, and in this way,  
death came to all men, because all sinned."
