

Women's Ministries Leadership Certification

This USB drive is packed with helpful presenter material that will assist Women's Ministries leaders across the North American Division in providing leadership training to local church leaders. This set includes Women's Ministries Leadership Certification levels 1-4.

Seminar presenters will find this material user-friendly and direct in its application to the local church and community. Each level includes required core classes, as well as a choice of electives for certification in Women's Ministries Leadership. This USB includes presenter's material, PowerPoint slides, and PDFs for printing seminar booklets and handouts. It's all there ready to use!
