

Block Printing

- **1.** List the tools and equipment necessary for block printing.
- Write a paragraph on the principles of design and lettering as applied to block printing.

Using a potato, carve a design incorporating your initials into it, and use it to print your initials on paper.

- **4.** Design and print at least one greeting card.
- **5.** Design and print one bookplate or book cover.
- **6.** Going through the steps of designing, carving, and printing, create another original piece of work of your choice.
